If you have lived in the UK for less than 6 months or you are a citizen of another country we may ask you to produce a 'certificate of good conduct'.

✓ An opportunity to join the fun and friendship

H&DCYC provides young people with exciting and enjoyable outdoor holidays at an affordable price. To achieve this we need volunteer leaders for every area from music and games to cookhouse staff and First Aiders. Being a holiday leader requires effort but is very rewarding – and great fun!

H&D leadership teams are renowned for their long lasting friendships and for encouraging adults in their service for God. So, why not make a difference this summer and join the team? Please apply as early as possible – it helps a lot!

✓ Leader's information and training day

An Information Day is held for all camps. This is an excellent chance to meet and build the team you'll be working with on camp. Fun and fellowship is a key part of the day. It is important that all leaders attend, even "old hands" so that you can be brought up to speed on current issues and find out what will be expected of you.

To get the most from your volunteer holiday please make every effort to attend. Failure to attend without good reason may prevent us from accepting you on camp!

Further details will be sent to you after application. Your application can only be fully confirmed once all documentation and checks have been completed.

✓ Help cover our costs...

There is a cost associated with having Leaders at Camp and we ask that you seriously consider and pray about supporting us by making a contribution of £100. However we understand that this is not possible for all leaders, especially students and the unwaged, so we would ask you to contribute what you can afford.

Don't miss out! Post before May 31st
